

BikeChico!

To work, school, shop, and play.

May 11-17, 2008

BikeChico! Week is part of the national effort to encourage Americans to try bike commuting for the first time or re-inspire veteran riders. Employers can offer incentives to their employees and we'll be there with Energizer Stations providing free refreshments and giveaways. Ride by and receive an "I Bike Chico!" sticker for discounts at local businesses. Students on bikes at participating schools will be awarded a ticket with a chance to win a new bike and other prizes. Join us for a full week of fun and activities to promote bicycling.
